SUMMARY

High-achieving Computer Science and Engineering student (CGPA 3.69) with strong academic foundations and three semesters of experience as a Teaching Assistant. Proficient in advanced software development (Deep Learning, Web, Mobile) and administrative management. Proven track record in competitive programming and hackathons. Seeking to leverage technical expertise and mentorship skills as a Teaching Assistant to support faculty and enhance student learning outcomes.

Technical Skills

- Languages & Databases: Python, SQL, Dart, JavaScript, C++.
- AI & Deep Learning: Large Language Models (LLMs), LangChain, LangGraph, Agentic Frameworks/Workflows, Computer Vision.
- Web & Mobile Development: React.js, Next.js, Flutter (Android).
- Tools & Utilities: Git, GitHub, VS Code, Microsoft Office Suite (Excel, Word, PowerPoint)
- Design: Graphics Design (Canva)

EDUCATION

BSci n Computer Science and Engineering

North South University (117 Credits)

March 2022 - Dec 2024

- CGPA - 3.69/4.00

Higher Secondary Certificate (HSC) Government

Mohammadpur Model School and College

Jan 2019 - Oct 2021

- Grade - GPA 5

Secondary School Certificate (SSC)

Model Academy, Mirpur-1

Jan 2017 - Dec 2018

- Grade - 4.89

ACADEMIC & TEACHING EXPERIENCE

- Undergraduate Teaching Assistant Department of History & Philosophy (DHP), North South University (3 Semesters)

AHIEVEMENTS

- Top 10 Finalist: Solvio AI Hackathon (2025) – Developed an AI-driven solution leveraging agentic workflows.
- Top 20 Teams: InnovativeX Hackathon BUBT (2025) – Competed in rapid software prototyping and problem-solving.
- Participant: ICPC Preliminary Contest (2022, 2023)

LEADERSHIP & CO-CURRICULAR ACTIVITIES

- Volunteer: NorthSouth University&IEEE/CEC Events
- Assisted in organizing intra-university tech carnivals and programming contests.
- Language Proficiency: Bangla (Native), English (Fluent), German (A2 Elementary)
